Hi Stan

We will be sure to include these topics for discussion at our March meeting. I would like to give you a call to check in with you later this week or the week after next (I will be out most of next week).

Hope all is well.

Doug

Subject: Joint Water District Letter

Doug,

Attached please find a follow up letter from our meeting in December 2014. The water districts feel it is important to outline what we expect moving forward and for an update on the NYSDEC letters issued in November 2014 to the Navy and Grumman. We look forward to our scheduled March meeting. Thank you.

Stan Carey, Superintendent
Massapequa Water District
